As Founder of Focus Investment Advisor, Marcelo Castro Alves is Committed to Supporting Local Talent Whenever Possible, Including when Redecorating His Business

MIAMI, FL / ACCESSWIRE / May 5, 2015 / Marcelo Castro Alves, founder of Focus Investment Advisor, is pleased to announce that he is supporting a local artist by buying eight of her beautiful customized paintings. The eight works of art will be placed on display in Focus Investment Advisor's office, and are part of a redecoration project that is currently underway.

As Marcelo Castro Alves noted, he was inspired to promote the local artist Kuki Alves, who is a painter as well as a BodyTalk Practitioner and Licensed Psychologist. The moment he saw her paintings, he knew he had to have them for his company's office.

"Kuki Alves' art is raw, uncut, profound, luxurious, complex and fluid, and it has a myriad of feelings, expressions and movements," Marcelo Castro Alves noted.

"And that's the secret of art, the one that's able to transport you to far lands of sweet dreams and joyful experiences."

As a spokesperson for Kuki Alves noted, her art work is customized and personalized with a healing touch.

"She likes to take orders that she can know where the paintings are going so it will be perfect for the place," the spokesperson said, adding that her abstractionism features irregular lines and forms, always in harmony with bright colors.

"Each piece seeks an equilibrium with the forces imposed by the colors and forms."

Marcelo Castro Alves said he was intrigued by the beautiful paintings created by Kuki Alves, and he is thrilled to have the customized and eye-catching pieces on display in his office. He hopes his clients will take note of the lovely paintings and be inspired to also purchase some from the local and talented artist.
