MIAMI, FL / ACCESSWIRE / June 16, 2015 / A cocktail party in honor of [Kuki Alves](#), the Brazilian contemporary artist, was held on June 6th in Brickell, at the Marcelo Castro Alves's office. Kuki's paintings were displayed in the newly redecorated offices of Focus Investment Advisors LLC. Marcelo Castro Alves, with the partnership with AG Advisors and BISEC USA, were pleased to take the opportunity to share her work for more than 50 people invited for the event. The event was a great success. It also generated interest at the University of Miami in using the artist's work in a new renovation project of the satellite unit of the Sylvester Cancer Center.

Kuki, born in West Virginia in 1960, moved to Brazil when she was five years old. Now living in Miami since 2007, Kuki's abstractionism features irregular lines and forms, always in harmony with bright colors. With acrylics and gesso, her production is informal and mostly customized for the client's space and color desires and in their distinct requisites. Her work has been shown in several exhibits in Brazil, in Zurich-Switzerland and Miami.

Marcelo Castro Alves, founder of Focus Investment Advisor, is pleased that he is supporting a local artist by buying eight of 17 of her beautiful customized paintings being displayed at Focus. The eight works of art are part of a redecoration project that is currently underway.
